Item No. 5

The Members at the 18th Annual General Meeting held on 27th September, 2014 approved the appointment of Dr. Pranab Kumar Mookerjee as an Independent Director of the Company for a period of 5 (five) years, post approval of the Members, with effect from 1st April, 2014. Dr. Mookerjee will complete his present term on 31st March, 2019.

The Board of Directors of the Company ('the Board') at the meeting held on 30th May, 2018, on the recommendation of the Nomination & Remuneration Committee, recommended for approval of the Members, the re-appointment of Dr. Mookerjee as an Independent Director of the Company with effect from 1st April, 2019, post completion of his present term in March, 2019, in terms of Section 149 read with Schedule IV of the Companies Act, 2013 ('the Act'), and Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations 2015'), or any amendment thereto or modification thereof.

The Board is of the view that the continued association of Dr. Mookerjee would benefit the Company, given the knowledge, experience and performance of Dr. Mookerjee, and contribution to Board process by him. Declaration has been received from Dr. Mookerjee that he meets the criteria of Independence prescribed under Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16 of the Listing Regulations 2015. In the opinion of the Board Dr. Mookerjee fulfils the conditions specified in the Act, the Rules thereunder and the Listing Regulations, 2015 for re-appointment as an Independent Director and that he is independent of the management of the Company.

Consent of the Members by way of **Special Resolution** is required for re-appointment of Dr. Mookerjee, in terms of Section 149 of the Act. Further, in terms of the recently notified Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, consent of the Members by way of Special Resolution is also required for continuation of a Non-Executive Director beyond the age of 75 years. Since, Dr. Mookerjee has already attained the age beyond 75 years, this Special Resolution, once passed, shall also be deemed as your approval under the aforesaid Regulations, for continuation of Dr. Mookerjee as an Independent Director beyond the age of 75 years.

Requisite Notice under Section 160 of the Act proposing the re-appointment of Dr. Mookerjee has been received by the Company, and consent has been filed by Dr. Mookerjee pursuant to Section 152 of the Act.

None of the Directors or Key Managerial Personnel or their relatives, except Dr. Mookerjee, being appointee, is interested financially or otherwise, in this **Special Resolution**.

The Board recommends this **Special Resolution** for your approval.

Item No. 6

Your Company has prepared the Financial Statements for the financial year ended 31st March, 2018 under Section 129, 133 and Schedule II to the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The financial statements for the year ended 31st March, 2017 have been restated in accordance with Indian Accounting Standards for comparative information. For the purposes of transition to Indian Accounting Standards, the Company has followed the guidance prescribed in IND AS 101 “First time adoption of Indian Accounting Standards” with 1st April, 2016 as transition date.

OPERATIONS AND STATE OF COMPANY'S AFFAIRS

During the year under review the performance of the Company was better as compared to the previous financial year. Production and sales turnover were 33,486 MT and Rs.23,752.00 lacs as compared to 28,310 MT and Rs.23,221.51 lacs during the previous financial year. During the year under review there was noticeable improvement in the working of the Company. The production was higher than the previous year. The turnover was also higher. This was because the management took effective steps for improving machine productivity. The Company also installed Adelphi Branch Chinese Flexible Automatic Rapier Looms and 4 ¾” Spinning Machine of 120 spindles Bauxter Flyer at the end of the last year which helped in achieving higher productivity.

A program was also undertaken for fast renovation of the existing machineries. During the current year the Company is hopeful of achieving better results.

The Company is expanding production of Jute Geo Textiles and Soil Saver which has a bright future.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a) **Industry structure and developments :**

Jute Industry dates back about one and half century in India and its importance lies in its long life. India is a country of farmers and a large number of farmers and workers depend on this industry for their livelihood. The Government understands the importance of this industry and that is why it has been taking steps to protect this industry including extension of the mandatory packaging norms, promotion of jute diversified products like jute geo textiles, soil saver, etc.

Under the Jute Packaging Materials (Compulsory Use in Packing Commodities) [JPM Act], 1987, the Government specifies the commodities and the extent they are mandatorily required to be packed. At present, a minimum of 90% food grains and 20% of sugar are to be compulsorily packed in jute sacking.

The National Jute Board implements various schemes for market development, worker's welfare and promotion of diversification and exports.

b) **Opportunity and Threats /Risks and Concerns**

There are opportunities for growth in Industry because the Government has seized of the industry difficulty. The Government has imposed anti-dumping duty on import from Bangladesh and Nepal. The National Jute Board provide subsidy for replacement of old machineries with modern machineries. Steps taken by the Govt. of India to assist the jute mills to upgrade old/ obsolete machineries and to promote jute diversified products jute geo textiles and soil saver will provide opportunity to increase market for jute goods.

The following areas of risks and concerns continue to pose threat to Jute Industry.

- ✓ The jute industry is under threat for partial dilution of the mandatory jute packaging order.
- ✓ Cut throat competition from Bangladesh in export market which continues to enjoy benefits in the form of lower costs and government subsidies.
- ✓ Increase in wage cost without linking to productivity which constitutes high proportion of production costs in a labour intensive industry.
- ✓ Heavy shortage of workers resulting in lower capacity utilization in the Mills.

c) **Segment-wise or Product-wise Performance**

Jute goods remain the Company's only area of business in the year under review, hence requires no disclosure under AS 17 in respect of business segment.

d) **Outlook**

Cultivation of jute crop during the current season seems to be lower than previous year. Therefore, the raw jute prices are expected to be on higher side than the previous year due to lower availability of jute in the next jute crop season.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

Demand for packaging of food grain will continue to be good. Government Orders are expected to remain regular and despite, several constraints, the outlook appears to be satisfactory.

e) Internal control system and their adequacy

The Company has an adequate system of internal control which not only ensures proper and timely recording and reporting of transactions but also provide avenue for exercising effective safe guards over Company's assets. For this purpose, the Company has appointed independent Internal Auditors. Observations of internal auditor are circulated to senior management for their perusal and necessary action. Corrective actions are taken as per requirements. In consultation with Internal Auditor, the Audit Committee formulates the scope, functioning, periodicity and methodology for conducting the internal audit.

f) Discussion on Financial Performance with respect to operational Performance

During the year under review, overall performance of the Company was better than previous year.

g) Material Development in Human Resources/Industrial Relations front, including number of people employed

Industrial relations remained more or less cordial during the year under review.

The Company provides benefits and facilities to deserving staffs. Workers employed at new scale are imparted with in-house training to bring all round improvement in their working knowledge and skill.

Collective participation is encouraged at all level and workers are given incentive for good performance. Labour issues are mostly addressed by negotiations and conciliation.

h) Cautionary Statement

Statement made above in this section of the report with regard to future outlook and performance is on the basis of prevailing industry scenario and market conditions as envisaged by us. Actual results may differ materially from those expressed in the statement.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Reliance Jute Mills (International) Limited
Ideal Plaza, South Block, 4th Floor
11/1 Sarat Bose Road
Kolkata – 700020

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Reliance Jute Mills (International) Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of :

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
 - a) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) SEBI (Prohibition of Insider Trading) Regulations, 2015;
 - c) SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - d) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not applicable to the Company during the Audit Period);
 - e) SEBI (Share Based Employee Benefits) Regulations, 2014 (Not applicable to the Company during the Audit Period);

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

- f) SEBI (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the Audit Period);
- g) SEBI (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the Audit Period);
- h) SEBI (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the Audit Period);

I have also examined compliance with the applicable clauses of the following :

- (i) The Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that,

During the year the Company has delayed in filing few Forms with additional fees. Whereas this form is filed with late fees before expiry of period specified under Section 403 of the Companies Act, 2013, this should be reported as compliance by reference of payment of additional fees.

During the quarter ended 30.09.2017 the Company has delayed by few days in compliance under Regulations no. 13(3), 27(2) and 31(1).

The Company has delayed in making payment of Listing Fees under Regulation 14 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Further the Company has made delay of two days in filing certificate under regulation 55A of the Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded, if any, as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

Report on the Ind As Financial Statements

1. We have audited the accompanying Ind AS financial statements of RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Ind As Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative announcements issued by Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.
5. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its profit/ (loss), total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other Matter

7. The corresponding financial information of the Company as at and for the year ended 31st March, 2017 and the transition date opening balance sheet as at 1st April, 2016 included in these Ind AS financial statements, are based on the previously issued financial statements for the years ended 31st March, 2017 and 31st March, 2016, prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended), which was audited by predecessor auditor, on which an

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

modified opinion was expressed vide audit report dated 06th May, 2016 and 30th May, 2017 respectively. These financial statements have been adjusted for differences in accounting principles to comply with Ind AS and such adjustments on transition to Ind AS which has been approved by the Company's Board of Directors have been audited by us.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
9. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED ("the Company")** as of 31st March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

Notes to Financial Statements for the year ended 31st March, 2018

1. CORPORATE AND GENERAL INFORMATION

Reliance Jute Mills (International) Limited (the Company) having its registered office at **11/1, Sarat Bose Road, Ideal Plaza, South Block (4th Floor), Kolkata -700020**. The Company is a Public Limited Company domiciled in India & is incorporated under provision of Companies Act applicable in India. Its shares are listed on the Calcutta Stock Exchange Ltd. The Company manufactures jute products and jute fabrics with flexibility to cater to both domestic and international market. The mill is located at Bhatpara, 24 Parganas (North) in the state of West Bengal, India.

The Financial statements are approved for issue by the Company's Board of Directors on 30th May, 2018.

2. BASIS OF ACCOUNTING

2.1 Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements for all periods up to and including the year ended 31st March, 2017, were prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, which includes the accounting standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 and other provisions of the Act (collectively referred to as "Indian GAAP"). These financial statements for the year ended 31st March, 2018 are the first Ind AS Financial Statements with comparatives, prepared under Ind AS. The Company has consistently applied the accounting policies used in the preparation of its opening Ind AS Balance Sheet as at 1st April, 2016 throughout all periods presented, as if these policies had always been in effect and are covered by Ind AS 101 "First Time Adoption of Indian Accounting Standards".

An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note No. 48 certain of the Company's Ind-AS accounting policies used in the opening Balance Sheet differed from its Indian GAAP policies applied as at 31st March, 2016 and accordingly the adjustments were made to restate the opening balances as per Ind-AS. The resulting adjustment arising from events and transactions before the date of transition to Ind-AS were recognized directly through retained earnings as at 1st April, 2016 as required by Ind- AS 101. The financial statements of the Company for the year ended 31st March, 2018 have been approved by the Board of Directors in their meeting held on 30th May, 2018.

2.2 Basis of Measurement

The financial statements have been prepared on historical cost basis, except for following :

- Financial assets and liabilities (including derivative instruments) that is measured at Fair value/ Amortised cost;

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

- Non-current assets held for sale – measured at the lower of the carrying amounts and fair value less cost to sell;
- Defined benefit plans – plan assets measured at fair value;

2.3 **Functional and Presentation Currency**

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company's functional currency. All financial information presented in INR as per the requirements of Schedule III, unless otherwise stated.

2.4 **Use of Estimates and Judgements**

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognized in the period prospectively in which the results are known/ materialized.

2.5 **Current vs. non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is :

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

3. **SIGNIFICANT ACCOUNTING POLICIES**

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1 **Inventories**

- Stores and Spare parts are valued at cost, which is computed on weighted average basis.
- Raw Materials are valued at cost or net realisable value whichever is lower. Cost is computed on individual lot basis and includes procurement charges. Materials and other items held

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

for uses in the production of Inventories are not written down below the cost of the finished products in which they will be incorporated are expected to be sold at or above cost.

- Finished Goods and work in process are valued at lower of the cost or net realisable value. Cost is estimated cost which represents direct material and appropriate portion of direct labour and manufacturing overheads.

3.2 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

3.3 Income Tax

Income Tax comprises current and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

3.3.1. Current Tax

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.3.2. Deferred Tax

- Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e. tax base).
- Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.
- Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

3.4 Property, Plant and Equipment

3.4.1. Recognition and Measurement :

- Property, plant and equipment, except Freehold Land, held for use in the production or/ and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- Freehold land has been stated at fair value considered as deemed cost on the date of transition. The difference between carrying amount of such land and fair value less any impairment loss along with amount lying under revaluation reserve as on the date of transition has been adjusted in Retained Earnings under the head "Other equity".
- Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, borrowing cost, if capitalization criteria is met and any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.
- In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

3.4.2. Subsequent Expenditure

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any unamortized part of the previously recognized expenses of similar nature is derecognized.

3.4.3. Depreciation and Amortization

- Depreciation on tangible assets is provided on straight line method at the rates determined based on the useful lives of respective assets as prescribed in the Schedule II of the Act except in "Plant & Machinery" where the useful life is considered as 20 years which is in

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

excess than life prescribed under Schedule - II as estimated by Chartered Engineers on the basis of technical evaluation.

- Each part of items of property plant & Equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. Certain components of property plant & Equipment as identified by the company have been depreciated at their respective useful lives ranging between 5 and 15 years.
- Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).
- Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

3.4.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.4.5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other Non-Current Assets"

3.5 Leases

3.5.1. Determining whether an arrangement contains a lease

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

For arrangements entered prior to the date of transition, the company has determined whether the arrangement contains a lease on the basis of facts and circumstances existing on the date of transition.

3.5.2. Company as lessor

- Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

RELiance JUTE MILLS (INTERNATIONAL) LIMITED

➤ Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.5.3. Company as Lessee

➤ Finance Lease

Finance Leases, which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease Payments under such leases are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly to the statement of profit and loss. Lease management fees, legal charges and other initial direct costs are capitalized.

If there is no reasonable certainty that the Company will obtain the ownership by the end of lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

➤ Operating Lease

Assets acquired on leases where a significant portion of risk and reward is retained by the lessor are classified as operating leases. Lease rental are charged to statement of profit and loss on a straight-line basis over the lease term, except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.6 Revenue Recognition

➤ Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

➤ The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the company's activities as described below. The company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specific of each arrangement.

3.6.1. Sale of Goods

Revenue from the sale of goods is recognized when significant risks and rewards of ownership are transferred to customers and the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of goods is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

3.6.2. Interest Income

For financial instruments, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

3.6.3. Dividend Income

Dividend Income from investments is recognized when the Company's right to receive payment has been established.

3.6.4. Other Operating Revenue

Export incentive and subsidies are recognized when there is reasonable assurance that the Company will comply with the conditions and the incentive will be received.

3.7 Employee Benefits

3.7.1. Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

3.7.2. Other Long Term Employee Benefits

The liabilities for earned leaves that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Remeasurements as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss.

3.7.3. Post Employment Benefits

The Company operates the following post employment schemes :

➤ Defined Benefit Plans

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

(G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurements recognized in other comprehensive income are reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

➤ Defined Contribution Plan

Defined Contributions to Provident Fund, Pension Scheme and Employees' State Insurance Scheme are defined contribution schemes and are charged to the Statement of Profit and Loss of the year. The Company makes specified monthly contributions towards employees provident fund to a trust administered by the Company as well as to provident fund plan operated by the Regional Provident Fund Commissioner. The interest which is payable every year by the trust to the beneficiaries is notified by the Government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the trust and the notified interest rate.

3.8 Government Grants

Government grants are recognized at their fair values when there is reasonable assurance that the grants will be received and the Company will comply with all the attached conditions. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. Grants related to purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight line basis over the expected useful life of the related asset and presented within other operating revenue.

3.9 Foreign Currency Transactions

- Foreign currency transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.
- Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.
- Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

3.10 Borrowing Cost

- Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes exchange difference to the extent regarded as an adjustment to the borrowing costs.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

- Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale. The Company considers a period of twelve months or more as a substantial period of time.
- Transaction costs in respect of long term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

3.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.11.1. Financial Assets

- **Recognition and Initial Measurement :**

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

- **Classification and Subsequent Measurement :**

For purposes of subsequent measurement, financial assets are classified in four categories:

- o Measured at Amortized Cost;
- o Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- o Measured at Fair Value Through Profit or Loss (FVTPL); and
- o Equity Instruments measured at Fair Value through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- o Measured at Amortized Cost: A Financial Asset is measured at the amortized cost if both the following conditions are met :
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.
 - o Measured at FVTOCI: A Financial Asset is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

➤ **The asset's contractual cash flows represent SPPI.**

Financial Assets meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income. Where the asset is disposed of, the cumulative gain or loss previously accumulated in other comprehensive income reserve is transferred in Profit and loss statement.

- o Measured at FVTPL: FVTPL is a residual category for financial assets. Any financial assets, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a financial asset, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Financial Asset included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.
- o Equity Instruments measured at FVTOCI: All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

➤ **Derecognition**

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

➤ **Impairment of Financial Assets**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes lifetime expected losses for all contract assets and/ or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.11.2. Financial Liabilities

➤ **Recognition and Initial Measurement :**

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

➤ **Subsequent Measurement :**

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

➤ **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

➤ **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.11.3. **Derivative financial instruments :**

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate and foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.

3.12 **Impairment of Non-Financial Assets**

- The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).
- An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

3.13 Provisions, Contingent Liabilities and Contingent Assets

3.13.1. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.13.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

3.13.3. Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

3.14 Intangible Assets

3.14.1. Recognition and Measurement

Intangible assets comprise of computer software, expected to provide future enduring economic benefits are stated at cost less accumulated amortization and impairment, if any. Cost comprises purchase price, non-refundable taxes, duties, and incidental expenses after deducting trade discounts and rebates related to the acquisition and installation of the assets.

3.14.2. Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. All other expenditure is recognized in the Statement of Profit & Loss.

3.14.3. Amortization

- Intangible assets are amortized over a period of three years under straight line method.
- The amortization period and the amortization method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortization period is changed accordingly.

3.14.4. Intangible Assets under Development

Intangible Assets under development is stated at cost which includes expenses incurred in connection with development of Intangible Assets in so far as such expenses relate to the period prior to the getting the assets ready for use.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

3.15 **Non-current assets (or disposal groups) held for sale and discontinued operations**

- Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of the carrying amount and the fair value less cost to sell.
- An impairment loss is recognized for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognized for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset (or disposal group) is recognized at the date of de-recognition.
- Non-current assets (including those that are part of a disposal group) are not depreciated or amortized while they are classified as held for sale. Non-current assets (or disposal group) classified as held for sale are presented separately in the balance sheet. Any profit or loss arising from the sale or remeasurement of discontinued operations is presented as part of a single line item in statement of profit and loss.

3.16 **Earnings per Share :**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.17 **Measurement of Fair Values**

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole :

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind As and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

3.18 Significant Judgements and Key sources of Estimation in applying Accounting Policies

Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes :

- **Recognition of Deferred Tax Assets :** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- **Useful lives of depreciable/ amortisable assets (tangible and intangible) :** Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.
- **Classification of Leases :** The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.
- **Defined Benefit Obligation (DBO) :** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- **Provisions and Contingencies :** The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

- **Impairment of Financial Assets :** The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- **Allowances for Doubtful Debts :** The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- **Fair value measurement of financial Instruments :** When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

3.19 **New Standards / Amendments to Existing Standard issued but not yet effective upto the date of issuance of the Company's Financial Statement are disclosed below.**

On 28th March, 2018, the Ministry of Corporate Affairs (MCA) has notified Ind AS 115 - Revenue from Contracts with Customers and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from 1st April 2018.

Ind AS 115-Revenue from Contracts with Customers

Ind AS 115 supersedes Ind AS 11, Construction Contracts and Ind AS 18, Revenue. Ind AS 115 requires an entity to report information regarding nature , amount, timing and uncertainty of revenue and cash flows arising from contract with customers. The principle of Ind AS 115 is that an entity should recognize revenue that demonstrates the transfer of promised goods and services to the customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.

Based on preliminary assessment performed by the Company, the impact of the application of the standard is not expected to be material.

Amendment to Existing issued Ind AS:

- i) Ind AS 12 - Income Taxes
- ii) Ind AS 21 - The Effects of Changes in Foreign Exchange Rates
- iii) Ind AS 28 - Investment in Associates and Joint Ventures and
- iv) Ind AS 112 - Disclosure of Interests in Other Entities

The impact of the above standards on the financial statements, as assessed by the Company, is not expected to be material.

37. EMPLOYEE BENEFITS

In accordance with Ind-As 19 on Employee Benefits, the requisite disclosure are as follows :

37.1. Defined Contribution Plans : The company makes contribution towards Provident Fund, ESIC, Superannuation Fund to a defined contribution retirement benefit plan for qualifying employees. The Provident fund plan is operated partly by Regional Provident Fund Commissioner and partly by an independent trust, ESIC by government agencies and Superannuation Fund by a trust created for the purpose. Under the said schemes the company is required to contribute a specific percentage of pay roll costs in respect of eligible employees to the retirement benefit scheme to fund the benefits. The amount recognized as expense for the Defined Contribution Plans are as under:-

Particulars	For the year ended <u>31st March, 2018</u>	For the year ended <u>31st March, 2017</u>
Employer's Contribution to Provident Fund	1,05,66,177	95,74,469
Employer's Contribution to Superannuation Fund	4,14,750	4,94,454
Employer's Contribution to Pension Scheme	3,68,45,012	3,36,44,789
Employer's Contribution to Employees State Insurance Scheme	2,69,53,653	2,25,84,998

37.2 Defined Benefit Plans :

Post Employment Benefit in the form of gratuity is considered as defined benefit obligation. Every employee who has completed continuous five years or more of service is entitled to gratuity on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit to employee benefit entitlement and measures each unit separately to build up the final obligation.

Risk Exposure : Defined benefit plans expose the Company to actuarial risks such as interest rate risk, salary risk & demographic risk

- Interest rate risk :** The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase
- Salary risk :** Higher than expected increases in salary will increase the defined benefit obligation.
- Demographic risk :** This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

RELIANCE JUTE MILLS (INTERNATIONAL) LIMITED

Notes to Financial Statements for the year ended 31st March, 2018

41. Based on the information available with the company from vendors regarding their status under the Micro, Small and Medium Enterprises Development Act, 2006, there are no outstanding dues to suppliers / service providers covered under Micro, Small and Medium Enterprises Development Act, 2006 ('MSMED'). The disclosures as required under the said Act are as under :-

Particulars	As at March 31, 2018	As at March 31, 2017	As at April 1, 2016
i) Principal amount and interest due to Supplier under MSMED act and remaining unpaid.	—	—	—
ii) Interest paid and any payment made to supplier beyond appointed date (under section 16 of the Act)	—	—	—
iii) Interest due and payable to Suppliers under MSMED Act.	—	—	—
iv) Interest accrued and remaining unpaid	—	—	—
v) Interest remaining due and payable under section 23 of the Act	—	—	—

42. Leases (Operating Leases)

The Company has taken certain office and other premises on operating lease for a period of 3 years on cancellable basis. Lease payment recognised in the Statement of profit and loss during the year amounts to Rs. 35,89,052/- (P.Y Rs.34,89,834/-).

43. Change in Method of Depreciation on certain Property, Plant and Equipment

The Company has been charging depreciation on certain property, plant & equipment on written down value (WDV) method. However, w.e.f. 1st April, 2017, the Company has changed the method of depreciation to Straight line method (SLM). The management believes that this change will result in more appropriate presentation and will give a systematic basis of depreciation charge, representative of time pattern in which the economic benefits will be derived from the use of these assets. This change has resulted in decrease in depreciation by Rs.1,35,71,212/- during the financial year 2017-18 and accordingly loss before tax has reduced by Rs. 1,35,71,212/-.

44. The company has assessed the status of Deferred Tax Asset (Net) as at the reporting date. However, in absence of reasonable certainty of future taxable profits and on the grounds of prudence, the Company has not recognised deferred tax assets (net). Hence, no provision of current and deferred tax has been considered in the Statement of profit and loss. The details of which is given as below :

45. Capital management

The Company's objective to manage its capital is to ensure continuity of business while at the same time provide reasonable returns to its various stakeholders but keep associated costs under control. In order to achieve this, requirement of capital is reviewed periodically with reference to operating and business plans that take into account capital expenditure. The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. Apart from internal accrual, sourcing of capital is done through judicious combination of equity and borrowing, both short term and long term. The Company is not subject to any externally imposed capital requirements. The Company monitors capital using current and debt equity ratio.

C. FAIR VALUE HIERARCHY

Fair value of the financial instruments is classified in various fair value hierarchies based on the following three levels :

Level 1 : Quoted prices (unadjusted) in active market for identical assets or liabilities

Level 2 : Inputs other than quoted price including within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

If one or more of the significant inputs is not based on observable market data, the fair value is determined using generally accepted pricing models based on a discounted cash flow analysis, with the most significant input being the discount rate that reflects the credit risk of counterparty. This is the case with listed instruments where market is not liquid and for unlisted instruments.

47. Financial Risk Management Objectives and Policies

The Company's activities expose it to the following risks :

- a) Credit Risk, b) Liquidity Risk, c) Market Risk

a) Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities including deposits with banks and financial institutions, intercorporate loans, investments, foreign exchange transactions and other financial instruments.

i) Trade Receivables

Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and major customers are generally from government agencies. As a practical expedient, the provision matrix is prepared based on historically observed default rates over the expected life of trade receivable and is adjusted for forward looking estimates. The provision matrix at the end of reporting period is given below :

ii) Loans and Other Financial Assets

The Company expose to credit risk in relation to inter corporate loans, investment in deposit with banks and other receivables. The credit risk on inter corporate loans and deposit with bank is limited because the counter parties are banks/ other corporates with high credit rating. As a practical expedient, the provision matrix is prepared based on financial stability of the counter party, historically observed default rates over the expected life of financial assets and is adjusted for forward looking estimates.

b) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Typically the Company ensures that it has sufficient cash on demand to meet expected short term operational expenses. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank loans/internal accruals. The table below provides details regarding the remaining contractual maturities of significant financial liabilities at the reporting date.

c) Market Risk :

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two type of risks: Foreign Exchange Risk and Interest Rate Risk.

d) Foreign Currency Exchange Risk

It is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company has Foreign Currency Exchange Risk on imports of Raw Materials & Capital Equipment(s), Buyer's Credit in foreign currency and export of Jute goods for its business. The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. To mitigate the risk, the Company adopts a policy of selective hedging based on risk perception of the management using forward contract.

The Company exposure to foreign currency risk at the end of reporting period are as follows :

Amount in Rs.

ii) Interest Rate Risk

a) The Company is exposed to risk due to interest rate fluctuation on borrowings. Such borrowings are based on fixed as well as floating interest rate. Interest rate risk is determined by current market interest rates, projected debt servicing capability and view on future interest rate. Such interest rate risk is actively evaluated and is managed through portfolio diversification and exercise of prepayment/refinancing options where considered necessary.

Particulars	31st March 2018	31st March 2017	1st April 2016
Fixed Rate Instruments			
Financial Assets	14,368,484	10,860,392	10,154,511

Notes to Financial Statements for the year ended 31st March, 2018

48. First Time Adoption

These financial statements for the year ended March 31, 2018 are the Company's first annual IND AS financial statements prepared in accordance with Ind AS notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP'). For all periods up to and including the year ended March 31, 2017.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2018, together with the comparative period data as at and for the year ended March 31, 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at April 1, 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the Balance Sheet as at April 1, 2016 and the financial statements as at and for the year ended March 31, 2017.

Exceptions and Exemptions Applied

IND AS 101 "First-time adoption of Indian Accounting Standards" (hereinafter referred to as Ind AS 101) allows first time adopters certain mandatory exceptions and optional exemptions from the retrospective application of certain IND AS, effective for 1st April, 2016 opening balance sheet. In preparing these Standalone financial statements, the Company has applied the below mentioned optional exemptions and mandatory exceptions.

I. Applicable Mandatory Exceptions

(i) Estimates

As per para 14 of Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS at the end of the comparative period presented in the entity's first Ind AS financial statements, as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

As per para 16 of the standard, application of IND AS requires an entity to make certain estimates that were not required under previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition or at the end of the comparative period.

The Company's estimates under IND AS are consistent with the above requirement, key estimates considered in preparation of the financial statement that were not required under the previous GAAP are listed below :

- ~ Fair valuation of financial instruments carried at FVTPL
- ~ Impairment of financial assets based on the expected credit loss model
- ~ Determination of the discounted value for financial instruments carried at amortised cost.

(ii) Classification and measurement of financial assets

Para B8 - B8C of Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortized cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable.

II. Optional Exemptions Availed

(i) Property Plant and Equipment and Intangible Assets

The company has elected to measure items of Property Plant & Equipment and Intangible Assets except Freehold Land at their previous GAAP carrying amount which also represents IND AS cost. On the date of transition, Freehold land has been measured at fair value which is considered as deemed cost.

48.5 NOTES TO THE RECONCILIATION OF BALANCE SHEET & EQUITY AS AT APRIL 1, 2016 AND MARCH 31, 2017 AND PROFIT OR LOSS FOR THE YEAR ENDED MARCH 31, 2017.

Explanations to the material adjustments made in the process of IND AS transition from previous GAAP

I) Deferred Revenue

Under IGAAP, grants received from government agencies against Property, Plant and Equipment was accounted as "Capital Reserve" under Reserve and Surplus. Under IND AS, the same has been presented as deferred revenue grant under Other non current liabilities and is being amortised in the statement of profit & loss on a systematic basis.

II) Redeemable Preference Shares

Under Indian GAAP, the Company has carried cumulative redeemable preference shares at book value and was shown under Share Capital. The company have considered fair value for Redeemable Preference Shares and classified it as Financial Liability in accordance with stipulations of IND AS with the resultant impact of being accumulated in retained earnings.

III) Fair Valuation as deemed Cost for Property Plant & Equipment

The company have considered fair value for property i.e. Land situated in Bhatpara, North 24 Parganas, West Bengal, India in accordance with stipulations of IND AS 101 amounting to Rs. 30,43,00,000/- with the resultant impact of being accumulated in retained earnings. Revaluation Reserve in respect of freehold land under previous GAAP has also been transferred to retained earnings on the date of transition.

IV) Expected Credit Loss Model

Ind-AS 109 requires to recognize loss allowances on trade receivable and other financial assets of the Company, at an amount equal to the lifetime expected credit loss or the 12 month expected credit loss based on the increase in the credit risk.

V) Derivative Instruments

Under IND AS mark to market gain/ (loss) on restatement of forward contract as at the reporting date has been recognized in the statement of profit & loss.

VI) Deferred tax

"Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

"In addition, the various transitional adjustments lead to temporary differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in retained earnings or a separate component of equity. However, in absence of reasonable certainty of future taxable profits and on the grounds of prudence, the Company has derecognised deferred tax assets (net) as on the date of transition."

VII) Fair Valuation of Financial instruments

Under Indian GAAP, interest free security deposits (that are refundable in cash on completion of lease term) were recorded at their transaction value. Under Ind AS, all financial assets are required to be recognised at fair value. Accordingly, the Company has fair valued these security deposits under Ind AS and the difference between the fair value and transaction value of the security deposit has been recognised as prepaid rent.

VIII) Re-classifications

- a) Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability.
- b) Remeasurement gain/loss on long term employee defined benefit plans are re-classified from statement of profit and loss to Other Comprehensive Income.
- c) Jute manufacturing cess on sales was earlier shown under expenditure now clubbed with Sales.

49. Previous GAAP figures have been regrouped/ reclassified to conform the presentation requirements under IND AS and the requirements laid down in Division II of the Schedule-III of the Companies Act, 2013.
